TO : Chief of Logistics

FEB 10 1955

FROM : Chief, Printing & Reproduction Division

SUBJECT: Weekly Activity Report

1. GENERAL

a. Plant Operations (continued item) -- The large OCD job will require additional overtime to complete and work is being scheduled for this coming Saturday.

The Multilith Section has placed special emphasis on printing budget material for the Comptroller's Office during the week. Otherwise plant operations have been normal.

2. PROJECTS

a. Renovation of Space for Motion Picture Facilities (continued item) -- There has been no further action taken on this project. We are awaiting a decision from the Chief, Space, Maintenance and Facilities Branch, RE&C, as to whether or not they are going along with our request of a small additional amount to complete the acoustic tile and furnish plumbing for necessary air lines.

Information has been received that GSA has released the contract for remodeling the transformer room. A date for beginning the construction was not given.

b. Securing the Large Press Room (continued item) -- The installation of the ADT system is complete except for the connection between [REDACTED] and the control office of ADT. Also repairs will have to be made on the double doors to the press room. RE&C and the Security Office have agreed that this will be accomplished by GSA and it is estimated that it can be completed in the next week or so.

c. Painting of Cafeteria (continued item) -- GSA painters are at work and are expected to finish painting the cafeteria this week.

d. New Badge for Visitors (continued item) -- The badges have been printed and laminating will next be undertaken.

3. OTHER ITEMS OF INTEREST

a. [REDACTED]

for a project he is planning.

We have also been alerted by [REDACTED] that he will request the printing of a million copies of a two sided, one color leaflet. We will probably be able to print twenty copies up on the Harris press thus entailing slightly over 100,000 impression run. The job will have a delivery date of two weeks after receipt in our plant.

b. Rush Work (continued item) -- ORR Cartographic Division has requested two rush jobs -- one of 3 halftone photographs to have 125 copies each printed by 10 February and the other is 2 charts for 225 copies each to be printed by 11 February 1955.

c. Dissemination of Agency Regulatory Issuances (continued item) -- [REDACTED] of Records Center has requested that P&RD assume the distribution of Agency Regulatory Issuances on 14 February 1955. Under provisions of the agreement set forth in writing to the Management Staff, P&RD will assume this function on that date.

d. AFOIN Maps for OCI (continued item) -- The third unit of 22 maps consisting of 98 overlays have been printed and sent to bindery for trimming, folding and punching. This unit is expected to be completed by 11 February 1955. The final unit of this project consisting of 28 maps and 109 overlays is now in the press room being printed.

e. Current Index of Agency Regulations (continued item) -- No change.

f. Indoctrination of DD/P Personnel (new and complete) -- [REDACTED] from SR/[REDACTED] was shown the printing plant at [REDACTED] Street. In the course of official duties [REDACTED] maintains close liaison with P&RD officials, especially in the Photographic Branch. The tour was conducted with the foal of improving operations between Agency components with common objectives.

g. Agency Telephone Book (new and complete) -- Division representatives met with representatives from RE&C, Administrative Staff, and officials from Machine Records of the Comptroller's Office in an attempt to improve production of the Agency telephone book. It was agreed that machine records and the telephone section would forward the book to P&RD for printing 7 days after the cut off date for changes or deletions. P&RD agreed to finish the printing of the book 2 weeks after receipt in the Division.

h. TSS Support (new and complete) -- [REDACTED] of TSS has made an informal request of P&RD to indoctrinate 3 or 4 of their photographic instructors in the photographic methods and procedures employed in P&RD. These men are skilled photographers who are training field personnel. The purpose of their indoctrination is to give them broad experience at headquarters so that they can more effectively train the field personnel in paths most profitable to the Agency as a whole. TSS was asked to make a formal request by memo.
